

LIABILITY INSURANCE COVERAGE

MBX constantly works with their insurance agent to provide insurance coverage for events that SCO members intend to stage during the school year. Events held on campus, in conjunction with a regular Costa or MBUSD event, are generally covered by MBUSD. However, if your SCO intends to hold fundraising events off-campus (like a clinic, a production, a fundraiser, etc) you may need insurance coverage, and it's imperative that the event is added to the MBX insurance policy as soon as possible.

There is no charge to your booster club or organization for additional insurance coverage. Here are some FAQs that may help your SCO understand more about insurance coverage:

Q – Do banquets require coverage?

A – While banquets are off-campus, they are part of the sports/performing arts program at Costa and are covered by MBUSD.

Q – Would a parent party or a season opener for the students held off campus need to be insured?

A – Yes

Q – Is insurance necessary to have for the Manhattan Hometown Fair booth?

A – Yes

Q – Do we need insurance for fundraiser dinners held at places like CPK (where a portion of the proceeds go to the SCO)?

A – No

Q – Do we need insurance for children's fundraiser camps during the school year and during the summer?

A – Yes

Q – Do we need insurance for summer tournaments and clinics?

A – Yes

Q – Do we need coverage for Christmas tree or poinsettia sales? For the parent soccer, parent softball or parent basketball fundraising tournaments?

A – Yes

If your SCO requires a participation waiver for an event, please include wording such as the following:

I hereby release and discharge the organizers and sponsors of the tournament as well as the MBX Foundation, Inc, their partners, the Manhattan Beach Unified School District and each of their agents, officers and employees from any and all claims for losses, injuries, damages or liabilities, including personal injury, arising out or attributable to my participation in this event.
