

# Tasman Mullins

## Women's Indoor Volleyball

### Dartmouth College

Taz will be attending Dartmouth College and competing for the Big Green in the Ivy League. Taz was a Team Captain of her Mira Costa Volleyball Frosh/Soph team and was brought up to the Varsity team at the end of her Freshman season for CIF playoffs. Taz has been a member of the Varsity team through her senior year and has been a Scholar Athlete and on the Principal's Honor roll every year. Taz has played club volleyball at Mizuno Long Beach all four years of high school and has a pair of USA Volleyball Junior National Championship Gold Medals and USAV Junior National Championship 'All Tournament Team' recognition. She has been her club team Captain for the past 3 years and received the Competitive Greatness award in 2018 and 2019. Taz is a member of the USA Volleyball High Performance pipeline and has competed in two USAV A1 High-Performance Championships and competed in the 'invite only' High Performance Holiday Camp at the Olympic Training Center in Colorado Springs. Taz was also on the 2019 American Volleyball Coaches Association 'Phenom list'. Taz would especially like to thank her private coaches Tyler Hildebrand and Alfred Reft for their mentorship, friendship and expertise over the past 4 years and all her coaches and teachers for their support in her recruiting process. Taz hopes to play professionally in Europe after she completes her 4 years in the Ivy League.
